Company's Agreement with Supplier is hereby amended as follows:

The clause entitled "Warranty" is hereby changed to read as follows:

**WARRANTY**

Supplier warrants to Company and its customers that material furnished will be new, merchantable, free from defects in design, material, and workmanship, and will conform to and perform in accordance with specifications, drawings and samples. These warranties extend to the future performance of the material and shall continue for (a) one year from the date of shipment to Company and/or its customers or (b) such greater period as may be specified elsewhere in this Agreement. Supplier also warrants to Company and its customers that services will be performed in a first class, workmanlike manner. In addition, if material furnished contains manufacturers' warranties, Supplier hereby assigns such warranties to Company and its customers. All warranties shall survive inspection, acceptance and payment. Material or services not meeting the warranties will be, at Company's option, returned for or subject to refund, repaired, replaced or reperformed by Supplier at no cost to Company or its customers and with transportation costs and risk of loss and damage in transit borne by Supplier; provided that Supplier shall exercise Company's option for Company unless Supplier is otherwise instructed by Company in writing. Repaired and replacement material shall be warranted as set forth in this clause.
